

PRIMEVAL VISION

CASSETTE LABEL TEMPLATE

QUICK GUIDE:

- Color mode: Greyscale or CMYK.
- If you want other than white as a background color, please add 2 mm bleed each side.
- Design over the template and if you decide to flatten the image, remove the template & notes layer from your file.
- We would prefer vector images: eps, ai & pdf (please, outline your fonts!).
- psd & tif files are also accepted - all the artwork must be created in 600 dpi/inch.
- For more info, please visit our website: www.primevalvision.com
